

Bowling Bookings Cancellation Policy and Terms

Once made a booking is final and non-refundable. In the event of sickness or being unable to attend, bookings can be transferred to an alternative time or date, you may be subject to an extra charge if the new booking time/date falls within a higher rate.

Transfers will only be possible 1 hour before the booking should commence.

Please check dates, times and discounts very carefully before booking. Although we can change certain elements of your booking (subject to availability) we are unable to cancel a booking to allow a discount code to be used after it has been booked.

Should you have any queries regarding your booking please email us at bowlingreception@oceanexmouth.co.uk or phone us at 01395 266500.

Threatening or abusive behavior towards Ocean Team members will result in the booking being terminated.
